CONFERENCE TOPICS

1. Nuclear Physics:

- nuclear physics of low and moderate energies;
- nuclear astrophysics;
- physics of fission.

2. Radiation Solid State Physics and Material Science:

- reactor materials and nuclear fuel;
- new materials and technologies of their development; materials for hydrogen power production.

3. Radioecology:

- risk reduction technologies for radiation hazardous objects and territories;
- handling, utilization and storage of radioactive waste;
- analytical methods for radio-ecology and combating with illicit trafficking of nuclear and other radioactive materials

4. Nuclear–Physical Methods in Medicine and Industry:

- production and application of isotopes;
- nuclear medicine;
- radiation treatment of materials.

CONFERENCE SITE

The conference will be held in Almaty, Kazakhstan, hosted by the Institute of Nuclear Physics of the National Nuclear Center of the Republic of Kazakhstan.

WORKING LANGUAGES

Conference languages will be Russian and English. Papers should be submitted in the working languages of the Conference.

DEADLINES

March 31, 2005 – application deadline for participation in the Conference (should include titles of the proposed papers).

June 30, 2005 – deadline for receiving abstracts.

ABSTRACTS

The abstracts should be submitted to the secretariat of the Organizing Committee not later than June 30, 2005 as an electronic copy (by **e-mail** as attached file or as a file on a floppy disk **3.5"** in the format **MS Word**). Please use font **Times New Roman** with a height of 12 points. The abstracts should not exceed 1 page of the format A4 (210x297 mm) with margins:

top - 25 mm left - 30 mm
bottom - 25 mm right - 15 mm

The titles should be printed in capital letters. Please, leave two intervals between the report titles, authors' names and titles of organizations and country. After that, having left 2 intervals, the text of the abstract is printed through 1 interval.

A book of abstracts will be issued prior to the date of the Conference.

Papers of the reports (printing and electronic copies) are introduced to secretariat of the Conference at registration. The reports will be published in Proceedings after the Conference.
