

XXX MAZURIAN LAKES CONFERENCE ON PHYSICS
NUCLEAR PHYSICS AND THE FUNDAMENTAL PROCESSES

September 2 – 9, 2007, Piaski, Poland

1st circular – call for abstracts

March, 2007

We are pleased to inform that the 30th Mazurian Lakes Conference on Physics will be held in Piaski, Poland, September 2-9, 2007. The conference is organized by the Andrzej Sołtan Institute for Nuclear Studies, Warsaw University, and “Pro Physica” Foundation.

Scientific programme and call for abstracts

Three topics were selected to receive special attention. These are:

1. 50 years after the discovery of parity nonconservation,
2. Contemporary measurements of atomic masses,
3. In-medium hadronic processes.

The conference programme will consist of about 30 lectures and a number of short presentations of contributed papers, complemented by a permanent poster exhibition. Those wishing to contribute are invited to submit abstracts. This will help the Programme Advisory Board to select contributions for oral presentation. Although the programme will concentrate on the main topics listed above, those who wish to present interesting results from other fields of subatomic physics should not be discouraged. One-page abstracts in the pdf format should be submitted via the conference web page www.mazurian.fuw.edu.pl before April 15, 2007. Authors will be notified about the selection for oral presentation before May 20, 2007.

Proceedings

The conference proceedings will be published as a separate volume of Acta Physica Polonica B. Only the papers presented orally will be included in the proceedings. In order to maintain the high standard of Acta Physica Polonica B, potential authors are reminded that only novel, original work should be submitted. All papers will be refereed.

Programme Advisory Board

J. Äystö (Jyväskylä), J.P. Blaizot (Saclay), P. Butler (Liverpool), M. Calvetti (Legnaro), M. Fujiwara (Osaka), H. Geissel (Darmstadt), J. Hardy (Texas A&M), N. Herrmann (Heidelberg), M. Huyse (Leuven), C. Jarlskog (Lund), M. Jeżabek (Cracow), H.-J. Kluge (Darmstadt), M. Lewitowicz (GANIL), Z. Majka (Cracow), G. Savard (Argonne), P. Senger (Darmstadt), S. Wycech (Warsaw).

Location

The venue of the meeting is located in Piaski, a summer resort about 200 km north of Warsaw and about 4 km from Ruciane-Nida. It is a small village on the Beldany lake, one in the chain of the Great Mazurian Lakes. The place is beautiful, peaceful and offers perfect conditions for a scientific meeting in a relaxed atmosphere.

Leisure

Besides the scientific programme there will be a variety of options for leisure-time activities, the most important of them being sailing, traditional for the Mazurian Conferences (be prepared for the regatta!). Swimming, canoeing, hiking in the woods, and volleyball are other possibilities. The time between the morning and the evening sessions (13:00-18:00) will be free for such activities every day.

Accommodation and Fees

The cost of participation is given in Polish zloty (PLN). Exchange rate fluctuates around 4 PLN/Euro. For the current rate at the National Bank of Poland see www.nbp.pl.
