

Art to Science Camp

Sponsored by the Joint Institute for Nuclear Astrophysics
University of Notre Dame
Jordan Hall of Science

July 9–13, 2012
9am – 4pm

A summer science program for students 8-18 years old
(Must be 8 years old by July 9th)

The camp is based on JINA's Art to Science program which introduces children to the wonders of the physical universe! This camp will utilize a multidisciplinary approach to learning, integrating reading, writing, art, and science. The participants will learn about physics, astronomy, and other sciences through reading books, creating art, and hands-on experiments.
